

MSU Ethics Symposium

Breakout Group Questions Session 1

The Imperative for MSU as the Leader in Theory and Practice of Ethics *(budget 10 minutes per question)*

1. How is ethics relevant across the curriculum?
2. What in your view is the importance of theory and practice of ethics for MSU in advancing knowledge and transforming lives?

Is MSU succeeding (or not) in the areas identified?

What are the reasons?
3. How will the pursuit of theory and practice of ethics in research/professional development, pedagogy and teaching enhance MSU's stature in your discipline?

Is this an imperative? If yes, why?

If we do not do this, how will it impact MSU's core mission?

What are the ways in which the institute at MSU can help enhance your units core mission?
4. What role would an institute play to facilitate discussions and interactions that would cross MSU while embedding ethics in pedagogy, research and outreach?
